2020 BUSINESS EXCELLENCE
& THE AWARD GOES TO...

CAVE JUNCTION GROCERY OUTLET!

"We are incredibly thankful to be selected for the Business Excellence Award. I think we can all agree that 2020 was not a smooth sailing experience for anyone. Our continued dedication to this community is really what we were focused on throughout the year. With the help of our corporate team at Grocery Outlet, we were able to continue to persevere and stay the course on continuing that goal. From our produce tent sales featuring our expansive local nursery, to sponsoring our local Little League, we have an excellent opportunity to help in so many different avenues and are grateful for the ability to do just that. None of what we do daily is possible without our team. These
people work tremendously hard day in and day out, and we are so thankful to have such a positive crew that goes the extra mile and digs in even when times are tough to get the job done. Being a board member of our local Chamber of Commerce has played a crucial role in identifying areas to focus our efforts. Having so much information available at our fingertips allows us to move forward in supporting the Illinois Valley to help create a better community and an incredible Southern Oregon experience. Thank you to the Chamber and all of our community members who voted for us to be selected for this honorable award." Ethan Lane
